

Benefit Strategies for the Evolving Workforce

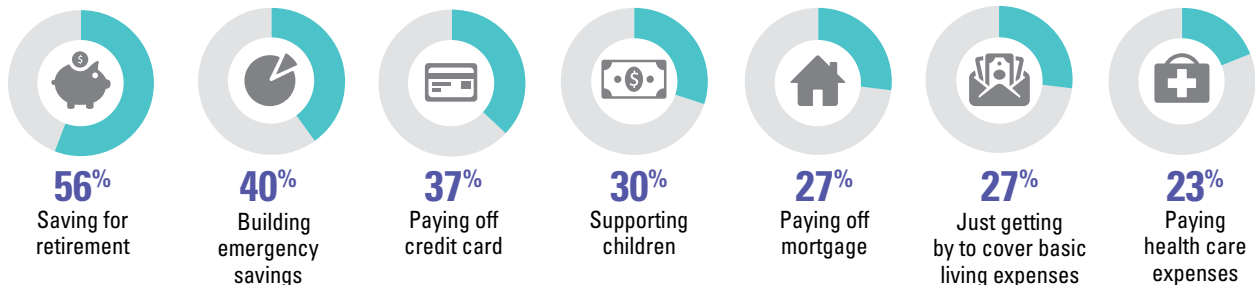

As the world of work evolves, employers may want to consider taking an approach to employee benefits that enhances worker health and financial well-being, provides work-life balance and helps them prepare for retirement. In her article “The Future of Employee Benefits: Five Opportunities for Employers Amid the Evolving Workforce” on page 35, Catherine Collinson discusses trends in employee offerings and worker sentiments, including the following.

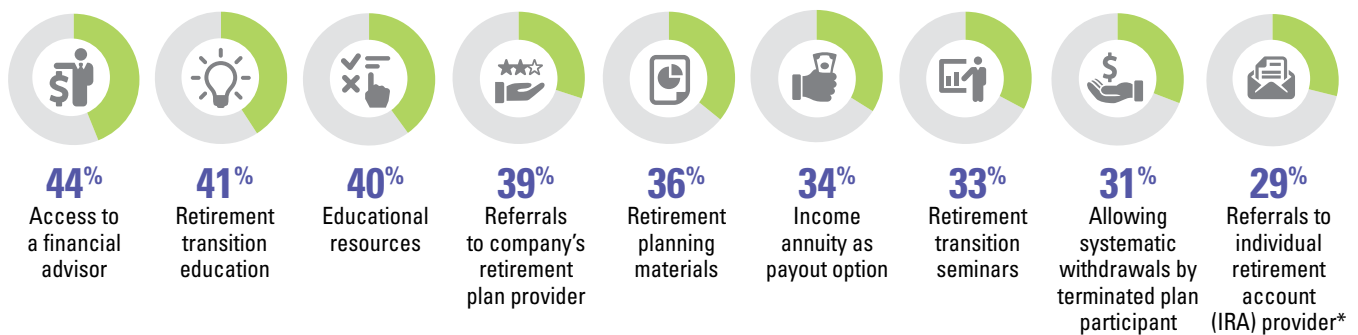

Are Employers Age-Friendly?

Worker Financial Priorities

Retirement Transition Assistance Offered by 401(k) Plan Sponsors

*Other than retirement plan provider
